It's been real!!!

Best of luck,

ADVERTISING 154

Good morning yesterday. You wake up and time has slipped away.
Suddenly its hard to find the memories you left behind.

Remember, do you remember...the laughter and the tears...

the shadows of misty yesteryears...

the good times and the
bad you've seen...

and all the others
in between?

Reach back for the joy and the sorrow. Put them away in your mind,

for memories are time that you borrow...

to spend when you get to tomorrow.

Here comes the setting sun. The seasons are passing one by one.

So gather moments while you may.

Collect the dreams you dream today.

Will you remember the times of your life?

WELCOME BACK

Another school year has started, and with it another period of adjustment for most of us. The freshmen are new to the school; over the seniors are in their own class. In the students' own words, they are to participate in activities. A beginning involvement. If you are active, your class will never be something school is the best time involved.

An advertisement is will find loyal friends that you might keep for life. You can't just sit back and wait for the people to come to you, because they won't.
